The following agreement is hereby reached between

Mr./Ms. Lenn Leberer, resident in Birkenstr. 3 77723 Gaggenbach (the "model")

and

Bosch Sensortec GmbH
Gerhard-Kindler-Strasse 9, 72770 Reutlingen, Germany

("Bosch"):

1. The following agreement shall relate to all photographs / films of the model taken as part of the photo-shoot / film shooting in Stuttgart Media Shuttle, dated 14.09.2023

   The model has read and understood the enclosed information and transparency obligations according to Art. 13 GDPR.

2. The model agrees that Bosch and the companies of the Bosch Group (affiliated companies of Bosch as defined by section 15 AktG ["Aktiengesetz". German Stock Corporation Act]) may publish and disseminate the images of the model globally for communication and advertising purposes of Bosch and the Bosch Group.

3. The model agrees that the images taken in the course of the photo-shoot / film shooting may be duplicated, disseminated, exhibited, and published, in modified or unmodified form. Unless agreed otherwise by the parties, this consent shall be given without any limitation of the type, place, or time of use, and for any uses in the area of communication and advertising.

4. Accordingly, the model grants Bosch the exclusive right to use his or her images or reproductions thereof. Bosch shall be entitled to transfer these rights to the images to third parties.

5. Bosch shall be entitled to digitize, electronically process, retouch, and use the images, also for photomontages, paying due consideration to the model's justified interests. Bosch shall be entitled to transfer these rights to the images to third parties.

6. The scope of this agreement includes all publications by Bosch in print and online media in Germany, outside Germany, and worldwide (including social media platforms), also in electronic form.

7. The model shall waive any claim to his/her name being used as a credit. S/he shall nonetheless consent to his/her name or a pseudonym being stated when the images are used.

8. The model vouches that s/he is not prohibited, either by agreements with third parties or by any other obligations, from making him- or herself available for photographs / filming and/or from making the above declarations releasing the photographs / films and assigning the rights to them.

9. The model is aware that the images will also be used for websites, and that these images can technically be downloaded by any internet user. Bosch is not obliged to take legal action against third parties who misuse these images. The model hereby waives any claims against Bosch or the companies of the Bosch Group resulting from the unauthorized use of the images by third parties.

10. No fees shall be paid.

11. Once given, the consent for publication may only be revoked for good cause.

12. Should any of the above provisions be or become invalid, the parties shall replace the invalid provision with a legally admissible agreement that comes as close as possible to the sense and purpose that was intended.

13. No other agreements have been made. Subsequent amendments or alterations are only valid if made in writing.

Information according to Art. 13 GDPR

*Photographs/videos/audio recordings (hereafter: recordings) of participants are taken at this event (personal data). The **information and transparency** obligations required for this by GDPR can be found in the following information sheet. This information sheet only applies to the recordings that are gathered by the controller or one of his representatives. If recordings are made by others (participants of event), the respective participants are responsible for the data protection-compliant handling.*

Controller

Controller for the recordings is: **Bosch Sensortec GmbH, BST/MKC; contact@bosch-sensortec.com.**

Purpose of the recordings /categories of recipients/legal basis

The recordings serve **Bosch-internal and Bosch-external purposes**, such as capturing the atmosphere and the overall impression of the event as well as the evaluation of the number of participants or they might be used for commercial purposes. Selected recordings might also be published, for example on the internet, on Bosch-external platforms, social media accounts or online press (Twitter, Facebook, YouTube etc.) and in internal Bosch networks (such as Bosch Connect or Bosch Global Network). The recordings might be processed for Bosch-internal and Bosch-external presentation, communication and documentation purposes. This might include the processing of recordings by other third parties or legal entities of Bosch (also called "third parties" in data protection law") worldwide.

Therefore, the categories of recipients are **all recipients inside and outside Bosch with access to the photos/videos**.

The legal basis for the data processing is legitimate interest (Art. 6 para 1 lit. f GDPR). The legitimate interest for Bosch is: **commercial purpose for Bosch**. In case of publication, a separate contract will be closed, if this is required by the German Art Copyright Act (Kunsturhebergesetz; eg. if pictures of single persons are published). Publication is the possibility of a wide range of people to have access to the recordings; therefore publication can also regard Bosch-internal publication (eg. Bosch-Connect).

Erasure

Your recordings will be erased if they are no longer necessary to fulfil the purpose for which they were stored or if processing is inadmissible for other legal reasons. In order to ensure that the personal data is not kept longer than necessary the controller will carry out a periodic review of the purpose.

Data subject requests

As the data subject, you have the right of access your personal data you at any time. You also have the right to rectification, erasure or restriction of processing, to object as well as to data portability. If you want to exercise your rights, please use our Online-Tool using the following link: https://www.bkms-system.net/bkwebanon/report/clientInfo?cin=18rbds19&language=eng.

Data Protection Officer

Besides, you can contact our data protection officer in case of questions and suggestions. The contact information is: **Data Protection Officer, Information Security and Privacy (C/ISP); Robert Bosch GmbH; Post Office Box 30 02 20; 70442 Stuttgart; DPO@bosch.com.**

Right to lodge a complaint with supervisory authority

You have the right to right to lodge a complaint with the responsible supervisory authority.
