

# Curriculum Vitae

## **Sandeep Nelamangala**

Executive Director, Bosch Limited & Executive Vice President, Mobility Solutions, Bosch India

(Effective July 1<sup>st</sup>, 2023 - Joint Managing Director of Bosch Limited)

Sandeep N has been the Executive Director, Bosch Limited, since February, 2021 and the Executive Vice President, Mobility Solutions at Bosch India, since January, 2020. He is responsible for customer liaising, strategy, sales and marketing for the mobility business in India

Having been associated with the Bosch Group for more than 30 years, he has worked in several managerial positions, such as, Senior Vice President, Gasoline Fuel Injection Business Unit, Robert Bosch GmbH and Senior Vice President OE Sales, Bosch Limited.

Sandeep N was instrumental in setting up the business in India and scaling up the operations including setting up a new green field plant at Gangaikondan, Tirunelveli in 2015 as the Regional President of Gasoline Systems, India. He is a firm believer of sustainability, digital mobility solutions and electrification.

Born in 1971 in Bengaluru (then Bangalore), India, Sandeep N is married and has a son. He is a mechanical engineer from the University of Mysore. He has keen interests in world history and Indology, and enjoys sketching, traveling reading, and listening to western music in his spare time.
